

Fytexia at EXPO WEST tradeshow

The EXPO West tradeshow in **Anaheim California-USA** has taken place from March 11 to 14, 2010. As part of its strategy to promote natural and organic products in the USA, Fytexia has attended *the* premiere show in the industry.

With more than 56,000 visitors, the show has been very successful.

Fytexia has been welcomed on its US distributor's booth #616, the Company AHD International. AHD supply the highest quality nutritional products in raw material powders.

Among its innovative natural ingredients, Fytexia has particularly promoted its fat burner **SINETROL®** (citrus polyphenolic extract) and anti-aging **OXXYNEA®** (22 fruits and vegetable extract).
